TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Greenville in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall on Tuesday, the thirteenth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose by Australian ballot, the following officers: Town Clerk for one year; one Selectman for three years; Tax Collector for one year; Highway Agent for one year; one Water Commissioner for three years; Chief of Police for one year; one Cemetery Trustee for three years; one Library Trustee for three years; two Auditors for one year; three Firewards for one year; Sexton for one year.

1a. To see whether beer or other lawful alcoholic beverages shall be manufactured or sold in Greenville as permitted under Chapter 99, section 22 of the Public Laws of the State of New Hampshire. (1933). (This question is on the Australian ballot prepared for this meeting.)

And at eight of the clock in the afternoon of the same day at the same place to act upon the following subjects:

2. To choose the necessary officers not chosen by the Australian ballot.

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.

4. To hear reports of agents, auditors, committees and officers heretofore chosen, and pass any vote relating thereto.

5. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes.

6. To see if the Town will authorize the Selectmen to appoint an Overseer of the Poor for the ensuing year at a salary not to exceed \$50.00 per year, or take any action thereon.

7. To see if the Town will raise and appropriate the money necessary to secure State Aid for the permanent improvement of highways or take any action thereon.

8. To see if the Town will vote to restore the ten per cent reduction to the Chief of Police's salary, or take any action thereon.

9. To see if the Town will vote in favor of permits to Druggists for the sale of liquor for medicinal purposes in this town, or take any action thereon.

10. To see if the Town will vote to install an electric light near the residence of Mrs. John Drinan, raise and appropriate money for the same, or take any action thereon.

11. To see if the Town will authorize the Selectmen to negotiate a new contract for street lighting, said contract to succeed the present contract which expires November 30, 1934, or take any action thereon.

12. To see if the Town will vote to place entrance signs on the roads leading from Mason, New Ipswich and Wilton, and raise and appropriate money for same.

13. To see if the Town will authorize the Water Commissioners to borrow from the Public Works Administration a sum of money to be determined at this meeting, for the purpose of completing the auxiliary reservoir now under construction with Civil Works funds, also to repair meters now in use, or take any action relating thereto.

14. To see if the Town will vote to give a rebate on taxes paid on or before a date to be decided upon at this meeting or take any action thereon.

15. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-sixth day of February, in the year of our Lord nineteen hundred and thirty four.

REPORT OF CEMETERY TRUSTEES

During the past year we have continued the improvements in our cemetery, refilling neglected lots and fertilizing where needed.

Throughout the season efforts have been made to keep the grounds in as neat a condition as possible. The perpetual care lots have been looked after and as usual on Memorial Day flowred were placed on each lot.

BYRON D. PEASE, *Chairman*

J. C. TAFT, *Secretary-Treasurer*

E. H. COFFIN

MRS. FRANCES K. UPHAM, *Librarian*

REPORT OF TRUSTEES

The Trustees are pleased to report that there have been 7006 visitors at the library during the year and 9675 books have been loaned. We have purchased 186 new books. We greatly appreciate the donation of books and magazines by Mrs. W. J. Boyd, Mrs. C. F. Blake, Mrs. T. Rodger, Mrs. J. C. Taft, Mrs. G. Boynton, Miss M. Prescott and several children's books by Philip Pease.

The subscription to the *Fidac* has been renewed by the Auxiliary of the American Legion. Dr. B. D. Pease and Mrs. Helen Whiting also donated magazines and books to the library.

Miss Esther Wright from the State Library Commission assisted Mrs. Upham in repairing and mending the most of the worn and old books so they are in excellent condition at the present time.

AUDITORS' REPORT

We have examined the accounts of the following town officers: Selectmen, Town Treasurer, Water Commissioners, Fire Wards, Cemetery Trustees, Library Trustees, Town Clerk and Tax Collector for the year ending January 31, 1934, and find them correctly cast and properly vouched.

We find that the Road Agent's bills rendered to the Selectmen correspond with the orders issued to him, and that each employee of this department signs the payroll for his wages.

REPORT OF SCHOOL BOARD

To the Citizens of Greenville:

We herewith submit the following report:

No problems of unusual importance have come before the school board.

We were fortunate to secure a very reasonable price for the painting of the school building and feel that both interior and exterior are in good condition. The fence was rebuilt.

The good wishes of the community went with Miss Grant to her new home. Mrs. Bennett, Miss Goonan and Miss Sweet are carrying on the work in a satisfactory, competent manner. After completing her music course at Keene, Miss Elsie Wheeler has resumed the supervision of music in our schools.

We wish to express our appreciation to our librarian, Mrs. Frances Upham, for her kindly interest in the school children. We also appreciate Mr. Alfred Williams' cooperation in the manual training work.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Greenville:

I respectfully submit herewith my eleventh annual report.

SCHOOL ORGANIZATION

Greenville is fortunate in retaining the services of Mrs. Bennett and Miss Sweet. The loss of Miss Grant is much regretted. In her place Miss Marjorie Hutchinson was engaged, a teacher with Normal School training and four years successful experience in Mason. At the end of the fall term she asked to be released and Miss Kathryn Goonan was secured. She is also a Normal graduate with several years of successful teaching experience. The music supervisor is Miss Elsie Wheeler of Greenville who completed the three-year music supervisor's course at Keene Normal School last year. She was our music supervisor for one year a short time ago and has had excellent training.

The statistical tables at the end of this report are for the complete school year 1932-1933 and for the Fall Term 1933. As compared with previous years the enrollment shows a decrease of four last year and fifteen this year. The attendance last year was somewhat above the state average. The record of tardiness has been excellent.

SUPERVISION

In several of my earlier reports I have given in some detail statements of certain phases of my supervisory activities and I have spoken particularly of the use of standardized tests to measure the progress of the children in various subjects. The reading tests described in last year's report have been continued and the children have shown even better results than were reported at that time.

The Stanford Achievement Tests have been used for a period of five years, every child in grades three to eight taking this battery of tests at least once each year, generally in October, and those children who do not appear to have made satisfactory progress in the Spring have been examined a second time.

The scores of these tests are stated in terms of letters A, B, C, D, and E and we expect in the long run to find approximately 7% of the children getting A; 24% B; 38% C; 24% D; and 7% E. Last October the scores of the fifty-one children taking the test showed 12% getting A; 39% B; 41% C; 6% D; and 2% E. This indicates that the advancement of the Greenville children so far as it is measured by these tests is much above the average.

MEDICAL INSPECTION

Dr. Pease, with the assistance of Miss Morris, made the annual inspection of the Public and Parochial Schools last September and reported the following:

	Public	Parochial
Number of pupils examined	62	164
Defective Vision	2	13
Cardiac Disease	0	1
Pulmonary Disease	0	1
Deformity	0	1
Defective Teeth	25	95
Diseased Tonsils	8	13
Enlarged Glands	4	1
Pediculosis	3	9

A diphtheria immunization clinic was conducted during the Fall and 110 pupils in the Public and Parochial Schools received the toxin-antitoxin treatment.

HIGH SCHOOL TUITION

Perhaps a statement regarding the legal provisions for high school tuition will be of interest. The state law, as amended from time to time by the legislature up to and including the session of 1933, provides that a school district having no high school of its own shall pay the tuition of any child who resides in the district with parents or guardian (or has resided in the district without parent or guardian and attended the district schools for two years or more) at any New Hampshire approved High School or Academy. The District is not liable, however, except under contract, for a rate of tuition higher than the average cost of high school instruction in the state the preceding year. A school district may

authorize its School Board, with the approval of the State Board of Education, to make a contract for a higher rate of tuition with any high school or academy in New Hampshire, or with a high school or academy in another state when such a school is more accessible because of distance or transportation facilities.

No contract is necessary with Appleton Academy or Milford High School since their tuition rates are determined by the average cost of instruction. In accordance with the vote of the District in a special meeting last September the School Board has entered into a contract with Peterborough High School for the tuition of such pupils as may desire to attend that school at the rate of \$100 per year.

TRENDS IN EDUCATION

The effect of the depression upon the schools has been less severe in New England than in any other part of the country. The primary reason for this is doubtless the fact that the depression itself has been less severe here. However, it may be that New England people are more determined to provide adequate education whatever the cost may be, within reason.

General education of all the people is intimately related to their individual success and happiness and to the prosperity and security of the country. We can accumulate wealth and pass it on from one generation to the next, and to some extent this is true of physical health and mental ability, but we can not bequeath an education to our children. The most we can do is to provide them with the means for an education. Of necessity some economies must be made, but the schools ought to be the last to feel the real pinch of economy and the first to benefit by a returning wave of prosperity.

There is a deeper significance in the present situation than the mere reduction of costs, essential as that may seem to us now. Society is undergoing some fundamental changes and these must be reflected in education if the coming generations are to receive the proper training for future social conditions. The happiness and prosperity of our successors in their time will depend upon their education and training, not only for their personal living and occupational pursuits, but in their choice of leadership and their cooperation with others in sustaining intelligent and beneficent government.

Amongst all the facts and knowledge that we must pass on to our successors none is more important than the fact of change. In the field of human affairs, as distinguishing from fixed physical facts, nothing is changeless and the speed with which changes take place is ever increasing. Only a few generations back our forefathers could pass on to their successors great bodies of knowledge with the assurance that most of it would remain as solid fact, but today we are confronted with the certainty that much of what we teach our children will be changed when they have grown to maturity. Our successors must not only know this fact, but they need to be so trained in habits of thought as to be able to adapt themselves to change and to do their part in cooperation with others in the control of the effects of change.

Necessarily this argument applies more to the field of what we call secondary education than it does to elementary education, for it is at the high school age that youth becomes susceptible to training in methods of thought and study, and it is at this time rather than later in life that habits of reasoning can best be developed in place of prejudice. From this point of view many are saying that our high school programs of study are ill adapted to the needs of our young people. Much study is being given to this by leading educators and laymen, and it appears that we shall shortly be making changes in the direction of substitution of more material in the social science fields for some of the subjects now given greater emphasis.

In closing, I am again happy to express appreciation for the support and interest in all of my endeavors to be of service in my capacity as Superintendent of Schools.
